WORK EXPERIENCE

Zooniverse *Visual Designer*

Chicago, Illinois   May 2013–present

I am primarily responsible for the UI & UX of the Zooniverse collection of citizen science projects.

SalesPad *UI Designer*

Grand Rapids, Michigan   June 2012–May 2013

I worked on the Marketing Team at SalesPad—a company that develops supply-chain management software. I did various brand projects including print, UI, and web design.

Ferris State University Design Project Center *Intern*

Big Rapids, Michigan   September 2011–May 2012

I worked on multiple team-based projects to gain experience with real-world clients. This was an in-house internship with the Design Project Center at Ferris State University.
